

Cold Hardy Greens

Here is my list of cold hardy crops to try in the greenhouse. You can also plant these outside in March once the soil is not frozen and cover them with row cover:

From Johnny's Seeds:

'5-star greenhouse' lettuce mix

'Space' Spinach

From Southern Exposure Seed Exchange:

'Even' Star' Winter Arugula

'Winter Bloomsdale' spinach

From Kitazawa Seed Co:

'Mei Qing Choi' (dwarf pak choi)-recommended in '*Four Season Harvest*' by Eliot Coleman

'Tatsoi' (pak choi)-recommended in '*Four Season Harvest*' by Eliot Coleman

'Golden Yellow' pak choi

'Astro' arugula

From The Cooks' Garden:

'Red Grenoble' lettuce

'Forellenschluss'(speckled trout) lettuce

'Rouge D'Hiver' lettuce-recommended in '*Four Season Harvest*' by Eliot Coleman

From John Scheepers Kitchen Garden:

'Argentata' Chard-recommended in '*Four Season Harvest*' by Eliot Coleman

From Agua Fria Nursery: transplants ready to plant

mache (corn salad)-recommended in '*Four Season Harvest*' by Eliot Coleman

endive-recommended in '*Four Season Harvest*' by Eliot Coleman

'Winter Wonder' lettuce

'Marshall Red' romaine lettuce
