The Santa Fe Extension Master Gardeners Garden Fair is seeking donations that will help us make this Garden Fair the best one yet. All sponsorships \$300 and over will be acknowledged by your business logo on our brochure. All donations for amounts from \$100 - \$299 will also be listed on the brochure by name.

These donations must be earmarked for the specific uses listed below.

Checks should be written to SFEMG with instructions for the usage on the memo line and in an accompanying letter or email.

Please contact our Fundraising Chair, Ellen Premack, at epremack@gmail.com or call her 303-513-4401 before you mail your check, to confirm funding instructions.

If you would like to make an unspecified donation to SFEMG with no reference to a specific item listed below, please note this on your memo line and correspondence. THANK YOU!

Our immediate needs are as follows:

1. Advertising - \$717.50 needed for additional print display advertising. We have already committed to display ads in Edible Magazine (\$635.79), Pasatiempo (\$1203.05), and The Reporter (\$378.66) = total print advertising cost of \$2217.50. We have been funded for \$1500 for advertising leaving a balance of \$717.50 that we need to cover.

2. Music - Remaining funds needed: \$250.

\$1000 to hire 2 or 3 musical groups. **We have commitments for anonymous donations of \$500 and \$250 toward the music for the Fair.** The committee has committed to Zuva Marimba Band and Ron Whitmore's High Altitude Band to play at the Fair, each charging \$500.

3. Flyers - \$40 (FedEx Kinkos color copies) for small 4.25 x 5.5" tiny flyers to distribute to participating local nurseries and vendors to promote the Garden Fair.

4. Tri-fold brochure - \$400 for a tri-fold brochure for the Hospitality Committee to hand out at the entrance to the Fair listing vendors, exhibitors, speakers and activities with a map of the Fairgrounds. **We have a donation from a committee member to cover this cost.**

5. 200 Garden Fair tote bags \$337.84

\$337.84 to print at Vista Print, cost \$1.63 each (free shipping). These will be sold at the garden Shed for \$3.50. (200 x \$3.50 = \$700 = profit of \$362.16)
